File Format Specifications

Ads will be Black/White or Color. Preferred file format is PDF produced with Acrobat Distiller (PDF/A-1b:2005 or Press Quality). For jpgs, we require high resolution images (300 ppi). If images are originally 72 ppi (ie, taken with a digital camera), be sure the dimensions are large enough to compensate (ie, 20" x 29") for the lower ppi. If not, the ad may not come out with desired quality. Any questions, contact Karen at ads@gymstradaparents.com.
